

Tired of relationships that start out great...and then *deteriorate*?

Want to know why 260 million years of evolutionary biology are stacked against you when you seek a loving, long-term relationship?

Interested to know how you can deepen the bond with your current partner and bring back that spark?

Curious what ancient sacred sex texts have in common with recent neuroscience?

Wondering why “sexless marriages are an epidemic” these days?

Want to learn how an intimate relationship can help you overcome an addiction?

Visit www.reuniting.info (an educational site and forum for sharing ideas)
